#### Disclaimer:

A single sample may not accurately represent the full range of natural variations to be expected. Due to the inherent properties and characteristics of wood, these samples should be viewed as an approximation of what can be obtained. Some wood species have more natural variance in appearance than others. We have made every effort to make colors as accurate as possible. Please contact WoodzCo for more details.

### TECHNICAL DATA

#### Fire Performance

Available upon request. Contact your WoodzCo representative for details

#### Warranty

Three (3) Year Warranty on all WoodzCo products. See WoodzCo's Limited Warranty on our website for details.

### SHIPPING AND SITE CONDITIONS

#### Shipping

WoodzCo products are carefully packaged at the production plant and shipped in cardboard boxes or/and palletized on wooden skids.

#### Site Conditions

Wood products are hygroscopic in nature and must be flat stored, installed & maintained in a controlled building environment. Temperature range should be maintained between 60°-90° F (15°-32° C). Relative Humidity range should be kept within a minimum 25%—max. 55% (not to exceed 20% RH from peaks to valleys). Failure to maintain site conditions will void the WoodzCo's Limited warranty.

\*Product information is subject to change without notice. For any questions, please contact your WoodzCo representative.
