

The STRATA PANEL collection by Woodzco introduces a renewed approach to architectural wood panels, combining precise engineering, refined aesthetics, and high-quality Canadian manufacturing. Its distinctive profile transforms surfaces into expressive, contemporary architectural elements.

With more than four (4) possible configurations and four (4) standard wood veneer species available in 8- and 10-foot length, this collection, with its engineered composition and clean lines, brings depth, rhythm, and elegance to interior spaces.

Manufactured in Canada to the highest industry standards, with a strong commitment to acoustic performance and tailor-made solutions.
